

# FATA University, FR Kohat

FIRST EVER PUBLIC SECTOR UNIVERSITY IN FATA

**ADMISSIONS OPEN**  
(For both Male & Female) **2018**

Applications are invited on the prescribed forms for admission in Bachelor Degree Programs (4 Years) in following disciplines

### FACULTY OF MANAGEMENT & SOCIAL SCIENCES

**BBA** (4 years)

**Eligibility:** FA (Maths, Statistics, Economics) / D.Com / Fsc / Fsc Computer Science, or Equivalent with at least 2nd division (45% marks)

**BS** (4 years)  
**Sociology**

**Eligibility:** FA (Sociology Preferred) / Fsc or Equivalent with at least 2nd division (45% marks)

**BS** (4 years)  
**Political Science**

**Eligibility:** FA (Civic Preferred) / Fsc or Equivalent with at least 2nd division (45% marks)

### FACULTY OF LANGUAGES & LITERATURE

**BS** (4 years)  
**English**

**Eligibility:** FA / Fsc, General Science with at least 2nd division (45% marks)

### FACULTY OF PHYSICAL AND NUMERICAL SCIENCES

**BS** (4 years)  
**Mathematics**

**Eligibility:** FSc Pre-Engineering / F.Sc Computer Science with Mathematics / Inter Science or equivalent with at least 2nd division (45% marks)

**BS** (4 years)  
**Computer Science**

**Eligibility:** FSc Pre-Engineering / F.Sc Computer Science with Mathematics / Inter Science or equivalent with at least 2nd division (45% marks)

**BS** (4 years)  
**Geology**

**Eligibility:** F.Sc (Medical / Engineering) / with at least 2nd division (45% marks)

### FACILITIES AVAILABLE

**SCHOLARSHIPS**

**TRANSPORT**

**HOSTEL ACCOMMODATION**

### SCHEDULE

Availability of Admission Forms: 15<sup>th</sup> August 2018

Final date of Submission of Forms: 05<sup>th</sup> September

Test & Interviews 12<sup>th</sup>-14<sup>th</sup> September 2018

Commencement of classes 24<sup>th</sup> September 2018

### Admission Procedure:

Form can also be download from the university website [www.fu.edu.pk](http://www.fu.edu.pk) Processing fee of Rs. 300/- shall be deposited in UBL A/C No. 0109-0002-3390-0504, branch code: (0850) and submit original receipt with the form.

Prospectus along with Admission forms are available at the following UBL Branches by depositing Rs. 300/- as application processing fee.

|                       |                                  |                                 |
|-----------------------|----------------------------------|---------------------------------|
| 1. Darra Adam Khel    | 2. Peshawar University Campus    | 3. Saddar Cantt Branch Peshawar |
| 4. Kohat Cantt Branch | 5. Bajaur City                   | 6. Darra Adam Khel              |
| 7. Parachinar Branch  | 7. Wanna Branch South Waziristan |                                 |

Application forms should be submitted at the Main OR Sub office of FATA University.

**Main Office:**  
FATA University, Government Degree College, Darra Adam Khel, F.R Kohat.

# FATA UNIVERSITY

DARRA ADAM KHEL, FR KOHAT

PROSPECTUS  
2018-19

FIRST EVER PUBLIC SECTOR UNIVERSITY  
IN  
TRIBAL DISTRICTS OF KHYBER PAKHTUNKHWA (FORMERLY KNOWN AS FATA)

## Vice Chancellor's Message

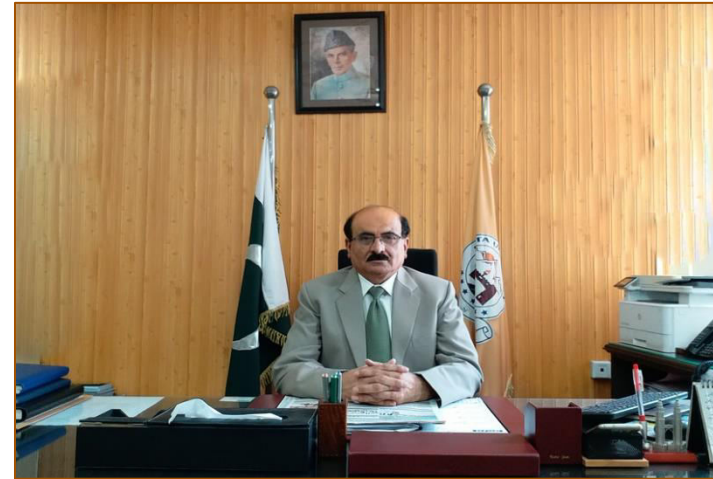

It gives me a great pleasure to serve as the first Vice Chancellor of this newly established FATA University. After assuming the charge as a Vice Chancellor, I made strong commitment that I will leave no stone unturned in paving the foundation of this university on strong footage. This can only be possible if I was succeeded in having a team of devoted, intellectual, talented and competent faculty and staff. I would, therefore, welcome everyone who is committed to support me in this cause. I will try my best to attract and retain outstanding faculty and staff to serve this university to their best. As a vice Chancellor, I am deeply committed to provide our students with the finest education and a supportive learning environment.

The university has been established with an objective to impart higher quality and technical education to the Pakistani students without giving any consideration to sex, religion, creed, cast, race, class, color and domicile. In compliance with the objectives of the FATA University Regulations 2013, due to its infancy and limited space some traditional and professional courses are being offered initially at the Government Degree College, Darra Adem Khel, Kohat. However, with the development of our own campus at Darra Adem Khel with an impressive infrastructure, I am determined to introduce more new and innovative courses with the support of dedicated and dynamic teachers. In order to provide the quality higher education facilities to the students of FATA at their door steps, the establishment of Sub-Campuses of FATA University at all the agencies are also planned in future.

I am confident that in the next decade or so, surmounting all sorts of hurdles, it will be the first and sole university in FATA, which will be grown into a dynamic degree awarding institution engaged itself in capacity building, in terms of infrastructure and human resource development.

I am striving to make the FATA University a model educational institute where the students will have quality education and training that will open new avenues for the betterment of their future. It is hoped that the FATA University will attract the students from all the agencies of FATA, Khyber Pakhtunkhwa and also from the other provinces of the country. My dreams can come true, if the intelligentsia of the country come forward and joins hand with us in making this university an institution where the advance level quality education and research flourish and where the fruit of knowledge resonate through the society.

Prof. Dr. M. Tahir Shah (T.I)

## A view of the Future infrastructure of the FATA University

# Vision

A leading institution of higher learning recognized for its quality transformative education which will create a generation of human resources to successfully meet the global challenges.

# Mission

The primary mission of the university is to expand the frontiers of human knowledge through provision of excellent conditions for learning and research while the other important aspects of the mission include: 1) to produce graduates who would be worthy in character and sound judgment, 2) to provide excellent instructions, conduct relevant research and foster community engagement that produce highly competent graduates necessary for the development of country, 3) to bridge the gap between academic knowledge and professional skill, 4) to create adequate academic and physical infrastructure for high level performance, 5) to create adequate student support service for effective prosecution of their studies and 6) to build institutional networking for knowledge sharing.

## Student Facilities

### Scholarship & other Opportunities

FATA University is committed to provide scholarship opportunities for their students. Currently, the office of financial aid is providing following main scholarships to the students:

- Fee Discount for FATA Students
- Merit Scholarship
- Need Base Scholarship
- Outstanding Performance in sport & Co-curricular activities etc.
- USAID/HEC Merit Based Scholarship

- Prime Minister Youth Program and Laptop Scheme

Prime Minister's Youth Program is a special initiative launched by Pakistani government in 2013. The Youth Program comprises the several schemes including Prime Minister's Interest Free Loan Scheme, Prime Minister's Youth Business Loans, Prime Minister's Youth Training Scheme, Prime Minister's Youth Skills Development Scheme, Prime Minister's Scheme for Provision of Laptops and Prime Minister's Scheme for Reimbursement of Fee of Students from the Less Developed Areas.

### Reading and Computer Lab

The administration of the university strongly believes that the students should have direct access to books and other reading materials. For this purpose, a central library and computer lab have been established in the university. Library provides access to a wide range of printed resources like books, Journals and Newspapers in support of each subject area as well as an extensive suite of electronic resources to the students and faculty members. In addition to this, general collections of books including high quality subject books are also available for the lending purposes to the students. Moreover, the library is also in process to buy more books and, therefore, conducting Book Expos.

### Sports Facilities

The university believes that students should be engaged in sports activities and, therefore, equipment's for sports have been purchased and sport activities by the students are performed under the guidance of Assistant Director Sports.

### Transport and Hostel Facilities

The University has buses to provide transport facilities to the students. The buses transport students to near city and also to Peshawar. The University has also acquired a building on rent to provide boarding and accommodation facilities for the students.

## How to Apply Undergraduate (BS-4 years) Program

|   |   |
|---|---|
| <p><b>Admission Procedure</b><br/>         Soon after the declaration of Intermediate results by the BISE Peshawar, the admission process commences, by wide publicity in print, electronic media and on the university website: <a href="http://www.fu.edu.pk">www.fu.edu.pk</a>. The prospectus along with the application/admission form is then available at the University, and UBL branches of Peshawar University, Peshawar Cantt and in various Tribal Districts (formerly known as FATA). The prospectus can be obtained by cash payment at these different venues.</p>                                    | <p><b>Documents Check List</b></p> <p>The following documents must be attached along with the pre-admission form:</p> <ul style="list-style-type: none"> <li>• Attested photocopies of FA/F.Sc or equivalent Part I and Part II detailed marks certificate (DMC)</li> <li>• Domicile certificate</li> <li>• Three recent passport size photographs</li> <li>• Migration certificate ( to be produced at the time of admission)</li> </ul> |
| <p><b>Eligibility</b><br/>         Admission to Undergraduate program is open to candidates who have passed the qualifying examination (i.e., HSSC) of any recognized board, securing at least 45% marks in the aggregate.</p>  | <p>Applications forms completed in all respects must reach on the last date notified for the submission of application.</p>   |
| <p><b>Submission of Application Form for Admission</b></p> <ul style="list-style-type: none"> <li>• Pre-admission application form completed in all respects must reach the office of the Admissions within the prescribed schedule.</li> <li>• A candidate may apply for admission for more than one discipline on a single form, however, admission will be offered in order of preference.</li> <li>• The list of the qualified candidates for Test &amp; Interview will be placed on the website: <a href="http://www.fu.edu.pk">www.fu.edu.pk</a> few days before the prescribed date of interview.</li> </ul> | <p><b>Caution:</b> If any of the particular(s) given in the application for the admission is found incorrect or false, admission shall be denied. If incorrect or false statement(s) are detected after a candidate has been granted admission, admission shall be cancelled and the student shall be expelled from the university.</p>   |

## About Tribal Districts (formerly known as FATA)

The Tribal Districts of Khyber Pakhtunkhwa (formerly known as FATA) are located along Pakistan's north-western Himalayan zone and south-western Sulaiman Mountains and runs as a narrow tract along the river Indus with the parallel lines almost north to south.

### **Composition:**

These Tribal Districts consist of Khyber, Mohmand, Bajaur, Kurram, Orakzai, North Waziristan and South Waziristan with sub-division Darra Adam Khel of District Kohat (these areas were formerly the part of FATA & frontier Region).

### **Covered Area and Population:**

This tangled mass constitutes an area of 27224 sq kilometers and is inhabited by around 55 million people belonging to different Pukhtoon or Pushtun tribes. The 1400 miles (2500 Km) long Durand Line, which was drawn in 1893 by the British colonial rulers of India, geographically divides the Pushtun tribes in the region between Afghanistan and the Tribal Districts of Pakistan.

COMMON FACILITY CENTER

### About FATA University

The establishment of a public sector institution of higher learning remained the long-standing demand of the people of FATA region. The plan for setting up the FATA University of international standard in FATA was finally conceived when the president of Pakistan approved the FATA University regulations which were promulgated through the gazette of Pakistan on May 25, 2013.

After the appointment of Prof. Dr. Tahir Shah <sup>(T.D)</sup> as the 1<sup>st</sup> Vice-Chancellor of the FATA University in January 2016, the university development process got momentum and in a very short span of time the university started its academic activities from September 2016.

In October 2016, the academic activities in the university have been launched. Initially, the university has launched four years bachelor program in Management Sciences, Political Science, Sociology and Mathematics three departments Computer Science, Geology & English were also added. With the passage of time more programs will be added to the university portfolio.

In December 2016, the Honorable Governor of Khyber Pakhtun Khwa Engr. Iqbal Zafar Jhagra inaugurated FATA University. The Honorable Governor Khyber Pakhtunkhwa, Engr. Iqbal Zafar Jhagra, during a meeting with the Vice Chancellor and the MNA Mr. Qaisar Jamal gave directives for the purchase of additional land in view of the university's future requirements. The scheme for the procurement of 202 kanal, contiguous to the already purchased land was approved as a non-ADP scheme at FDWP level at a total cost of Rs.141.4 million. With this the total purchaser land for the FATA University cover 466 Kanals.

#### **Acquisition of Land and Infrastructure Development**

The University is currently housed in a separate block in the Darra Adam Khel Degree College which is 30 Kms on the south of Peshawar. The construction of new buildings and provision of research facilities on the 466 kanals purchased Land has already been started as per approved master plan.

## Introduction

Keeping in view the highly competitive business environment at national and international levels and the capabilities of local population, it was indispensable for the government to invest in polishing the managerial and entrepreneurial abilities of the inhabitants of this region. Thus, sensing the challenging situation, FATA University was established.

To achieve the basic objectives of the current scenario, the department of management sciences has hired highly qualified staff including Ph.Ds., who are committed to bring improvement in the academic programs to nurture the students attitude and skills that would not only help them to compete the challenges of the dynamic business environment but also ensure that they have the knowledge to meet their goals and become leaders in their respective fields.

Offers Admission Only

Equivalent to 16  
years of education

## Vision Statement

To be the leading and first choice institute among the management institutions, not only at national but also at international level, that systematically combines education, innovation and research in its programs to prepare students for unseen, complex and challenging management problems

## Mission Statement

Our mission is to provide excellent quality education and training to the aspirants and particularly to the students of FATA at undergraduate and postgraduate levels which will help them develop into business leaders, executives and entrepreneurs.

## Faculty Members

Realizing multi-dimensional importance of the region, the Government of Pakistan has established the FATA University. In this academic mechanism, the Department of Political Science has been established with a purpose to enlighten the students of FATA with a modern approach of political studies to reform the existing available academic information regarding the subject.

**Offers Admission Only in:**

- **BS Political Science**
- **4 years degree program**
- **Equivalent to 16 years of education**

**Vision Statement**

To inculcate in students the ability whereby they can comprehend the existing concepts and trends in the modern political systems.

**Objectives:**

- To familiarize students with how the game of politics is played, nationally and internationally.
- To have an exhaustive learning experience in sub fields of political science that are Political Theory, Comparative Politics, International Relations, Public Policy or Policy Analysis of Government, and Political Sociology.
- To have a conducive working environment at the department so that students can freely express themselves.

**Faculty Members**

**Offers Admission Only in:**

- **BS Sociology**
- **4 years degree program**
- **Equivalent to 16 years of education**

**Vision**

The Department of Sociology aspires to provide its students with academic programs and experiential learning opportunities that will develop their understanding of sociology and its applicability in a variety of social settings.

**Mission**

The mission of the Department of Sociology is to create a learning environment that promotes a scientific understanding of social life. Through teaching, scholarship and service, the Department of Sociology provides educational experiences that encourage students to think sociologically about the significance of social structures and processes, multicultural perspectives, and emerging interdependencies among members of the global community.

students so that they become acquainted with fundamental tools of Mathematics and also to develop skills necessary to make effective use of the knowledge of mathematics.

### **Vision**

To act as a leader in the advancement of Mathematics and promotion of Science and Technology in FATA in particular and in the country in general.

### **Objectives**

- To provide a platform to the students to explore their academic potentials and teaching skills.
- To produce mathematicians who can contribute to the society in a better way.

### **Faculty Members**

**Lecturer**

*(The hiring process of the additional faculty members is continued and by the completion of admission more faculty members will be added to the Department)*

## Department of Computer Science

### Introduction

To familiarize students with needs of the modern world it was deemed necessary to start the Computer Science Department at FATA University. With the induction of a highly qualified faculty coupled with the start-up of a new computer laboratory at the FATA University, this feat was achieved. The students would acquire sufficient fundamental knowledge to adopt

quickly to the changes that are occurring and will continue to occur during their professional careers. The program involves analysis, development and implementation of mathematical algorithms to solve computational problems, understanding computer electronics, study of operating systems, languages, compilers, data communication and networks, solving complex computing problems, designing man-to-machine interfaces, security, mobile computing and so on.

### Mission:

To encourage students to have a firm grasp on the fundamentals of the subject and at the same time encourage innovation and ingenuity from students so that they may excel in this globalized world.

## Objectives:

1. Possess practical and theoretical knowledge of computer science and software engineering sufficient to earn a living and contribute to the economic development of the region, state and nation.
2. Be prepared for advanced education in computer science and software engineering.

## Faculty Members

**Dr. Bilal Jan**  
**Ph.D, Poltecnico Di Torino, Italy National University**  
**Assistant Professor & HoD**

**Mr. Sadiq Shah**  
**MS**  
**Lecturer**

*(The hiring process of the additional faculty members is continued and by the completion of admission more faculty members will be added to the Department)*

## Department of Geology

In geology you learn about the physics, chemistry and history of the solid earth through examining collectable earth materials such as rocks, minerals and fossils, and by using remote sensing techniques such as seismic waves to explore the structure and chemistry of its inaccessible areas.

Years one and two give you a firm grounding in earth sciences, building your knowledge to help you make informed and appropriate unit choices in the third and fourth years of your degree when a broad range of advanced topics are available for study.

To encourage students to converse in English and foster an environment where it becomes the lingua franca of the university

## Objectives

- 1) To design a course that can help the students of English in improving their reading, writing and listening capabilities.
- 2) To encourage students to have a sound understanding of English Literature, linguistics and other areas that the subject provide.

## Extra-Curricular Activities

The university is committed to provide conducive academic and extra-curricular atmosphere to its students. We believe that a true education occurs both inside and outside of the classroom. Our student's societies are active and extremely dynamic and in a very short span of time these societies have represented the university on numerous platforms. In Student Societies we strive to ensure a positive educational and co-curricular experience for all students by concentrating on the out-of-class experience and support of our students. Following societies are active in FATA University

**Cultural Society**

**Literary & Debating Society**

**Creative Art, Music & Heritage Society**

**Sports Society**

**Dramatic Society**

**Social Welfare & Awareness Society**

**Blood Donors Society**

**Science & Technology Society**

**Adventure & Hiking Society**

*One Day Seminar on "Introduction to Pukhtoon Culture and its Challenges" organized by Cultural Society*

*One Day Seminar on "Afghanistan"*

*after US drawdown: Regional Ramifications with specific emphasis on Pakistan” by Literary and Debating Society*

*One Day Seminar and group Activity on “Creating a Positive Image of Pakistan” By Dil Se Pakistan (An Islamabad based Organization)*

*FATA University students along with faculty members attending stage drama " ANTIGONE" At Edwardes College, Peshawar organized by Drama Society*

*One Day Seminar on "Emerging Bio-Ethical Issues" organized By Literary and Debating Society*

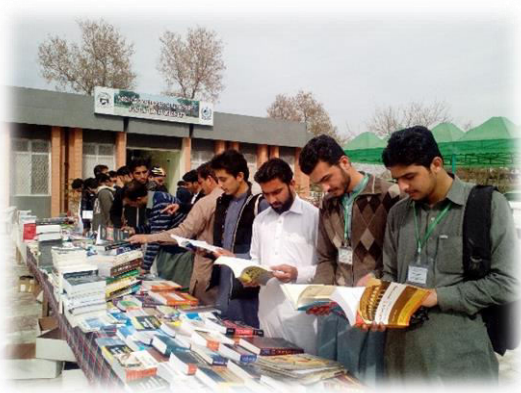

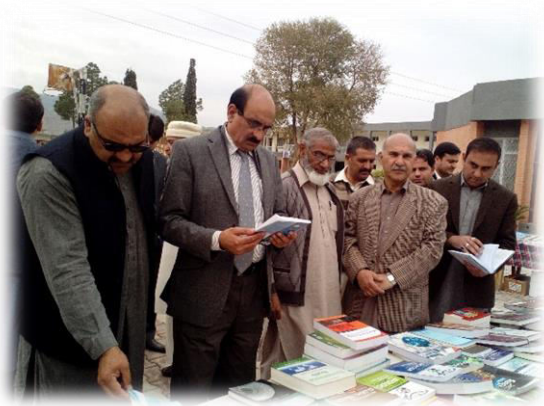

*Screening of Movie “12 Angry Men” to inculcate the importance of critical thinking in Students arranged by Drama Society*

*Anti-Corruption Walk arranged by Social Welfare & Awareness Society*

*Two Days Book fair arranged by National Book Foundation Pakistan*

*One Day Hepatitis B & C Screening Test Camp in Coordination with Agency Surgeon Health Office organized by Blood Donor Society*
