Memorandum of Understanding

In order to promote co-operation, student exchange and research between the European University of Business and Fata University, Pakistan. The two institutions agree as follows:

The two institutions will encourage the following:

1) Student Progression
2) Dual Degree Programme
3) Academic Staff Development
4) PhD Research
5) Seminars;
   - to share and exchange of educational, scientific and methodological literature;
   - to implement joint research paper activities;
   - to share and exchange experience of educational and scientific-research management.

Any disputes arise during the implementation of any negotiated activities will be settled with the help of consultation and negotiation between the "parties". Amendments to this Memorandum of understanding can be made upon mutual agreement between the "parties". The "parties" have right to terminate the Memorandum of understanding through a written notice sent to the other side within a period of six months prior. The Memorandum of understanding is made in two copies with similar legal forces for each side. The Memorandum of understanding enters into force on the day of its signing. Additional agreements will be signed separately for specific projects and other activities.

Both "parties" will designate a representative, who will work for implementing activities and programs envisaged in the Memorandum of understanding.
