Each of the above shall be referred to individually as a "Party" and collectively as the "Parties".

1. INTRODUCTION:

This MoU sets forth the terms and understanding between **FU** and **ULM** to establish a collaborative framework to support mutual academic and research objectives. The collaboration is based on mutual trust and the shared goal of promoting research excellence, sharing laboratory infrastructure, and enhancing opportunities for postgraduate students as well as faculty members from both institutions.

2. OBJECTIVE / PURPOSE:

The purpose of this Memorandum of Understanding is to create a broad framework for cooperation between the two universities. This partnership encompasses academic, research, and infrastructural collaboration, including joint research initiatives, capacity building, and the mutual exchange of students, faculty, and scholarly resources. It also provides for shared use of laboratories, libraries, and other facilities to support innovation and advance education across all areas of mutual interest.

3. SCOPE AND FORMS OF COOPERATION:

The Parties agree to engage in the following cooperative activities:

3.1. Access to laboratory facilities for MPhil and PhD students as well as faculty in all disciplines for research, analysis, and experimentation.

Joint research projects and publications by faculty and researchers from both institutions.

3.3. Exchange of faculty members, research scholars, and postgraduate students for collaborative research, short-term visits, and training programs.

3.4. Sharing of scientific equipment, technical expertise, and laboratory resources as mutually agreed.

3.5. Joint organization of seminars, workshops, and conferences on mutually relevant scientific themes.

3.6. Exchange of academic and research materials, including datasets, publications, and technical reports.

3.7 faculty members, researchers, and postgraduate students of both Parties may also be facilitated to access the laboratory facilities of both institutes for the purposes of research and scientific experimentation.

3.8. FU will assist the ULM in establishing and strengthening its Business and Technology Incubation Center by sharing expertise, providing mentorship and training, facilitating resource sharing, and promoting entrepreneurship and innovation among students, researchers, and local innovators.

3.9. Any other collaborative activity mutually agreed upon in writing.

4. INTELLECTUAL PROPERTY RIGHTS:

All intellectual property (IP) generated jointly under this MoU shall be subject to mutual agreement and ownership shall be determined based on respective contributions. The Parties may agree in writing on publication, patenting, and commercialization terms in accordance with applicable institutional policies and laws.

5. PERSONNEL EXCHANGE AND LAB ACCESS:

5.1. Access of students and researchers to laboratories shall be based on prior approval and availability, in accordance with standard operating procedures.

5.2. Both Parties shall facilitate reasonable access to equipment, facilities, and relevant technical staff for authorized students and researchers.

5.3. Both Parties shall ensure proper conduct, safety compliance, and adherence to institutional regulations by visiting personnel.

5.4. Expenses related to travel, accommodation, consumables, or training will be mutually decided on a case-to-case basis.

6. FIELDS OF ACADEMIC AND RESEARCH PARTNERSHIP:

The collaboration will encompass a wide range of academic and research activities, including the reciprocal exchange of faculty and students, shared access to laboratories and other institutional resources, joint research and innovation projects, cooperative technological support, and collaborative scholarly and publication initiatives.

7. CONFIDENTIALITY AND NON-DISCLOSURE:

The Parties agree that any confidential information exchanged under this MoU shall remain confidential and shall not be disclosed to third parties without prior written consent, except where required by law.

8. LEGAL STATUS:

This MoU reflects the intention of the Parties to collaborate in good faith. It does not create any binding legal obligations, nor shall it be construed to create a partnership, joint venture, or employment relationship between the Parties.

9. DISPUTE RESOLUTION:

Any dispute or difference arising from the interpretation or implementation of this MoU shall be resolved amicably through mutual consultation and negotiation between the Parties.

10. AMENDMENT:

This MoU may be amended or modified at any time by mutual written consent of the authorized representatives of both Parties.

11. DURATION AND TERMINATION:

This MoU shall remain in effect for a period of five (5) years from the date of the last signature and may be extended for further duration upon mutual agreement. Either Party may terminate this MoU by giving one (1) months' written notice to the other Party.

12. COST SHARING:

Unless otherwise agreed upon, each Party shall bear its own costs and expenses incurred in connection with activities under this MoU. Joint funding or cost-sharing arrangements, if any, will be documented in separate written agreements.

13. EFFECTIVE DATE:

This MoU shall become effective on the date of the last signature affixed below.
